On the Lighter Side

Lipstick in School

According to a news report, a certain private school in Washington was recently faced with a unique problem. A number of 12-year-old girls were beginning to use lipstick and would put it on in the bathroom. That was fine, but after they put on their lipstick, they would press their lips on the mirror leaving dozens of little lip prints. Every night the maintenance man would remove them, and the next day the girls would put them back. Finally the principal decided that something had to be done.

She called all the girls to the bathroom and met them there with the maintenance man. She explained that all these lip prints were causing a major problem for the custodian who had to clean the mirrors every night

(you can just imagine all the yawns from the little princesses). To demonstrate how difficult it had been to clean the mirrors, she asked the maintenance man to show the girls how much effort was required. He took out a long-handled squeegee, dipped it in the toilet, and cleaned the mirror with it.

Since then, there have been no lip prints on the mirror.

There are teachers...and then there are educators.

ABOUT THE HIGH PLAINS SHOOTING RANGE

This organization of sportsmen and sportswomen was founded as a non-profit conservation club over forty years ago. The association is still heavily involved in conservation issues, but has expanded its involvement into education and promotion of the shooting sports. The association owns a 123 acre range facility eight miles east and one mile south of Ault, Colorado.

Organized activities include bench rest, high power, and black powder rifle events; trap, skeet, and sporting clays events; IPSC, ICORE, Action Pistol handgun events; archery and Junior Shooting programs. We are fortunate to have several NRA Certified Instructors to teach classes in rifle, handgun, and shotgun safety. The range opens at 7:30AM on weekdays and 8:00AM on weekends, closing at sunset.

Club meetings are on the second Thursday of each month. During the December meeting elections of board members and club officers is held. Club meetings start at 7:00 PM and are open to all members.

He enjoyed welding and ran Burman Welding for many years. Doug had a great sense of humor and a big heart. Doug married his soul mate, Lana Burman on April 10, 1994. Together they blended their families and made many happy memories.

From the Membership Director

We have just completed our renewals and the new membership orientation for 2012, I want thank everyone who helped make it go so smooth.

We do this ONCE a year! The renewals are due NOVEMBER 15th each year. When those are posted we take the waiting list we have accumulated for the year and fill our membership up to 1300 annual members. We have another 200 or so Life and associate members so it takes a while to get them all posted so please be patient.

EVERYONE who is a member (LIFE, ANNUAL, ASSOCIATE) MUST fill out and sign a waiver EACH & EVERY YEAR! NO exceptions.

An ASSOCIATE is a spouse who has passed the range officer test, signed a waiver and has their own gate card.

As you are reading this if I did not receive a waiver (and dues if annual) for 2012 your card has been deactivated. If you Need a Waiver, they are available on line at www.wcfc.org.

If you lose or ruin your gate card it is a \$25.00 fee for a replacement and can take two to three weeks to get back in the system.

Remember dues are due NOVEMBER 15th of the prior year (November 15, 2012 for 2013). Put it on your calendars now! Invoices will be mailed the first week in October. Please keep your information current so we don't miss you. You can e-mail or call me with any changes.

As of 2012 the postcard announcing we received your payment was dispensed with. It was decided the \$1000.00 cost to have these cards printed and mailed would be better spent improving our facility. You will NOT be receiving a postcard notifying you that your annual dues have been received.

At the January board meeting it was voted on to increase the annual dues to \$125.00 starting in 2013. The increase is due to the rising cost of operating expenses. As you all know it is still a good deal at \$125.00.

If you want to join the NRA, Please download and fill out the "NRA Application" form from our web site and send it along with a separate check made out to the NRA.

All Board members are volunteer positions, if we don't always get back to you right away it's because most of us still have full time jobs, so please be patient with us, we will get back to you as soon as possible.

If you have time on your hands and want to help at the club come to a board meeting and let us know. They are the 2nd Thursday of every month at 7 p.m. at the club house.

HAVE A SAFE AND FUN 2012 At the range.

Thanks,
Membership Director,
Marvin Taylor
