## ABOUT THE HIGH PLAINS SHOOTING RANGE

This organization of sportsmen and sportswomen was founded as a non-profit conservation club over forty years ago. The association is still heavily involved in conservation issues, but has expanded its involvement into education and promotion of the shooting sports. The association owns a 123 acre range facility eight miles east and one mile south of Ault, Colorado.

Organized activities include bench rest, high power, and black powder rifle events; trap, skeet, and sporting clays events; IPSC, ICORE, Action Pistol handgun events; archery and Junior Shooting programs. We are fortunate to have several NRA Certified Instructors to teach classes in rifle, handgun, and shotgun safety. The range opens at 7:30AM on weekdays and 8:00AM on weekends, closing at sunset.

Club meetings are on the second Thursday of each month. During the December meeting elections of board members and club officers is held. Club meetings start at 7:00 PM and are open to all members.

## Disciplines...

### **I.C.O.R.E.**

Matches  
4th Sundays  
at 10am

*If you've Got Questions,  
They've Got Answers.*

# Wanted

## Benchrest Equipment

Wanted good condition used bench rest rifle and reloading equipment. Interested in Hunter class (30BR, 6BR, .308 Win). Contact Tim at alrelectric@msn.com or 970-567-7741. Possible trade for electrical work.

## On the Lighter Side

On the first day, God created the dog and said, "Sit all day by the door of your house and bark at anyone who comes in or walks past. For this, I will give you a life span of twenty years."

The dog said, "That's a long time to be barking. How about only ten years and I'll give you back the other ten?" So God agreed...

On the second day, God created the monkey and said, "Entertain people, do tricks, and make them laugh. For this, I'll give you a twenty-year life span."

The monkey said, "Monkey tricks for twenty years? That's a pretty long time to perform. How about I give you back ten like the dog did?" And God agreed...

On the third day, God created the cow and said, "You must go into the field with the farmer all day long and suffer under the sun, have calves and give milk to support the farmer's family. For this, I will give you a life span of sixty years." The cow said, "That's kind of a tough life you want me to live for sixty years. How about twenty and I'll give back the other forty?" And God agreed again...

On the fourth day, God created humans and said, "Eat, sleep, play, marry and enjoy your life. For this, I'll give you twenty years." But the human said, "Only twenty years? Could you possibly give me my twenty, the forty the cow gave back, the ten the monkey gave back, and the ten the dog gave back; that makes eighty, okay?"

"Okay," said God. "You asked for it."

So that is why for our first twenty years, we eat, sleep, play and enjoy ourselves. For the next forty years, we slave in the sun to support our family. For the next ten years, we do monkey tricks to entertain the grandchildren. And for the last ten years, we sit on the front porch and bark at everyone.

Life has now been explained to you.

### **I Hate My Job day**

(Even if you're retired, you sometimes have those days)

Try this out:

Stop at your pharmacy and go to the thermometer section and purchase a rectal thermometer made by Johnson & Johnson...Be very sure you get this brand.

When you get home, lock your doors, draw the curtains and disconnect the phone so you will not be disturbed. Change into very comfortable clothing and sit in your favorite chair. Open the package and remove the thermometer. Now, carefully place it on a table or a surface so that it will not become chipped or broken.

Now the fun part begins.

Take out the literature from the box and read it carefully. You will notice that in small print there is this statement:

"Every Rectal Thermometer made by Johnson & Johnson is personally tested and then sanitized."

Now, close your eyes and repeat out loud five times;

"I am so glad I do not work in the thermometer quality control department at Johnson & Johnson."

## Club News

As some of you may already know, George Flynn passed away very suddenly and unexpectedly Wednesday morning, (April 13, 2011) at home from cardiac arrest. The Family is in the process of putting together a Celebration of George's Life.

The tentative date is June 18th, so friends from overseas and both East and West Coasts can come and participate. All of his Family, Friends and past Students are most welcome to join us.
