Wanted

I am looking for a short trailer to store the steel on for easy movement to the ranges for regular shoots. Prefer that is about 14' overall length, or could easily be modified to be short. Only needs to carry about 1500 lbs. It will only be used on the range and will not be used on the road, so lights and registration not required. Of course I am looking for a donation if possible, but will consider low cost.
Contact Rick Hoover at rhoover@desgroup.com or 970 -215 -0580

Membership Renewal

2012 Renewal Period is October 15th - November 15th

Some of you have already received your 2012 Membership Renewal forms in the mail, I have received many of them back, and I appreciate your prompt attention in getting them back to me.

I have a couple of things that I would like to address; many of the renewals are coming back without the WAIVER AND RELEASE page being filled out.

The WAIVER AND RELEASE must be filled out or I will send your renewal back to you. If you have mailed your renewal in and have forgot to fill out the WAIVER AND RELEASE you can get on the club web site and download the WAIVER AND RELEASE form and send it in.

Life Members must also fill out a new WAIVER AND RELEASE each year for our records. If we do not have a current signed WAIVER AND RELEASE on file your gate card may be turned off until we get your WAIVER AND RELEASE back.

ASSOCIATE MEMBERS...

Many of you have asked about a gate card for your wife or other family member, WCFW has an associate member program for just that reason. Your wife or other family member can get their own gate card by becoming an associate member. There are just a few requirements:

1. The associate member must reside in the same household as the annual dues paying or life member.
2. The associate member **MUST** take the WCFW range orientation class.
3. There is a onetime fee of \$25.00 to issue a separate gate card to the associate member.
4. The Associate Member must sign the WAIVER AND RELEASE for each year.

Sincerely,
Marvin Taylor
WCFW Membership Director

On the Lighter Side

One day, a man came home and was greeted by his wife dressed in a very Sexy nightie.
'Tie me up,' she purred, 'and you can do anything you want.'
So he tied her up and went shooting.

A woman came home, screeching her car into the driveway, and ran into the house. She slammed the door and shouted at the top of her lungs, 'Honey, pack your bags. I won the lottery!'

The husband said, 'Oh my God! What should I pack, beach stuff or mountain stuff?'
'Doesn't matter,' she said. 'Just get out.'

Weld County Fish & Wildlife Shooting Fund

To All WCF & W Members,

Weld County Fish & Wildlife Shooting range has set up a competition shooting fund to provide financial assistance for necessary expenses for local, State or National shooting events in Archery, Black Powder, Pistol, Rifle and Shotgun disciplines.

To be eligible you must be a member or your patents must be members. Individuals will be allowed one annual award. You must apply every year. Funds are intended to be used per you request.

Here is how it will work. We will pay entry fees; we will buy the ammunition; we will provide you with what you need. You will want to be sure to have your application submitted in time to get the funds for your deadline.

If you receive an annual award, it would be great if you could provide us with pictures from your shooting event and we will put them on the website and on our new Competition Shooters Fund display board in the Club House.

Any donations for the competition shooting fund would be greatly appreciated.

Please fill out the WCF & W Competition Shooters Fund application and mail to:

Jerry Wescott

ABOUT THE HIGH PLAINS SHOOTING RANGE

This organization of sportsmen and sportswomen was founded as a non-profit conservation club over forty years ago. The association is still heavily involved in conservation issues, but has expanded its involvement into education and promotion of the shooting sports. The association owns a 123 acre range facility eight miles east and one mile south of Ault, Colorado.

Organized activities include bench rest, high power, and black powder rifle events; trap, skeet, and sporting clays events; IPSC, ICORE, Action Pistol handgun events; archery and Junior Shooting programs. We are fortunate to have several NRA Certified Instructors to teach classes in rifle, handgun, and shotgun safety. The range opens at 7:30AM on weekdays and 8:00AM on weekends, closing at sunset.

Club meetings are on the second Thursday of each month. During the December meeting elections of board members and club officers is held. Club meetings start at 7:00 PM and are open to all members.
